

Greater Seattle USBC Youth All-Stars

Application & Rules 2019-2020

1. The Seattle Youth All-Star teams will consist of a maximum of (6) boys and (6) girls, who shall represent the Seattle USBC and youth bowling as they compete in the home-and-home matches (against South Sound in May), All-Star Extravaganza (June), and other tournaments and events that may come up. Representing your city and association is a huge responsibility, and requires you to conduct yourself in a manner appropriate to a role model promoting a positive image of bowling. Not only are you representing your city, but younger bowlers are looking up to our All-Stars — and will strive to be just like them.
2. Bowlers must be a USBC Youth member in good standing. There is no residency requirement, but bowlers must have a minimum of (12) games in 2019-2020 league competition certified through the Seattle USBC at the time of submitting the All-Star application. Travel leagues sanctioned through the Seattle USBC count toward this requirement. Note: The All-Star Extravaganza rules require that a bowler hold a current USBC membership card in the association they are representing, and must have an established average with at least 21 games, in order to compete in that tournament in June.
3. Selection to the All-Star team is based on points. Bowlers receive points for the following activities, listed in decreasing order of “weight”:
 - The All-Star qualifying tournament on **Saturday, March 28, 2020. Check-in at 12 p.m.; practice at 1:00.**
 - 2019-2020 season tournament competition (includes all organized events in which scholarship prizes are awarded, such as high school bowling, city and state tournaments, Masters tournaments, King of the Hill, JBT, OJC, Junior Gold Championships, “adult” tournaments and other competitions. NOTE: Charity events, 9-pin no-tap, and novelty formats such as scotch doubles and Mulligan tournaments do NOT earn points).
 - 2019-2020 season volunteer activities — this can be bowling or non-bowling related. (Documentation must be provided)
4. Bowlers selected to the team will be required to sign an agreement affirming that they will attend a minimum number of team meetings and practices, will be available for scheduled matches and other obligations (to be outlined BEFORE agreement is signed), and strive to positively represent their association and youth bowling. If selected to the Seattle team, bowlers may not be a member of any other association’s All-Stars.
5. If a bowler must miss a scheduled practice or competition, he/she must inform and receive approval from the coach ahead of time. The bowler must work with the coach to make up the missed meeting and/or plan for a substitute to be available, if needed.
6. Applications must be completely filled out and all supporting documents provided. If parts of your application are missing or incomplete, it will not be accepted. A \$20 application fee must accompany your application and covers the lineage for the All-Star qualifying tournament. This fee is non-refundable.
7. The GSUSBC covers entry fees and lineage for competitions. However, if selected to the team, bowlers may be asked for additional fees to help pay for shirts, gift bags for teammates and coaches, and/or other expenses related to the team. If you have a financial hardship which may make it difficult to cover these costs, please discuss this with the All-Star coaches or the youth committee chair ahead of time.
8. The completed application, with supporting documents and \$20 fee, must reach the GSUSBC office inside Kenmore Lanes by **6 p.m. on Friday, March 27, 2020; after that, it must be brought to the tryout tournament on March 28.**

2020 Greater Seattle USBC
Youth All-Star Qualifying Tournament

Saturday, March 28, 2020
Hiline Lanes - Burien, Washington

Entry fee: \$20 per bowler

SCHEDULE

12 PM: Check-in begins

1 PM: Practice

1:15: Scoring starts

Format: 3 games qualifying to determine seeding, followed by 5 games, boys and girls divisions. Games 4 through 8 will be position round matches. All scoring is scratch. For each match play win, a bowler will receive 30 bonus pins; bowlers who tie will receive 15 bonus pins each.

In case of an odd number of bowlers in a division, the bowler in last place each round will be paired with a Blind (dummy) opponent. The bowler going against the Blind will need to beat the score of the opponent to his/her immediate left and will receive 30 bonus pins for a win, 15 bonus pins for a tie. (The opponent on the left does not receive bonus pins for winning this “blind” match).

The entry fee covers lineage for the event. The prizes for the tournament are awarded in the form of All-Star points and a chance at making the All-Star team — no other prizes will be awarded, unless announced by tournament directors before the start of the event.

Tournament points will be awarded in each division as follows. (Ties for finishing positions in the tournament will split tournament points):

1st: 32 points	4th: 26 points	7th: 20 points	10th: 14 points
2nd: 30 points	5th: 24 points	8th: 18 points	11th: 12 points
3rd: 28 points	6th: 22 points	9th: 16 points	12th: 10 points

Additional points are awarded as follows (bowler must fill out the appropriate sections of the application to receive credit):

TOURNAMENT PARTICIPATION: (1) bonus point will be awarded for each tournament bowled between August 15, 2019, and the application deadline. See rules for a list of eligible tournaments. Maximum 10 bonus points for tournament participation.

COMMUNITY SERVICE: (1) bonus point will be awarded for each separate service activity between August 15, 2019, and the application deadline. Tournament directors have discretion over what constitutes a “separate” service activity. Maximum 5 bonus points for community service.

The bowlers with the top 6 All-Star point totals will make up the All-Star teams. If there is a tie in points for the 6th spot on either the boys’ or girls’ team, affected bowlers will break the tie with a one-game rolloff.

To enter: There is NO entry form! Your completed All-Star application, along with your \$20 entry fee, indicates your intention to bowl the All-Star tournament. **See you there, and good luck!**
